FARID HILLEND ENGINEERING LIMITED PURCHASING TERMS AND CONDITIONS

2. Terms and Conditions

2.1 All Purchase Orders, these Terms and Conditions and any variation agreed in writing to these Terms and Conditions (including any specific terms and conditions agreed between the parties) shall form the entire contract between FHE and the Supplier in relation to the purchase of the Goods and/or Services specified in the relevant Purchase Order (the "**Contract**"). These Terms and Conditions are deemed to form part of and are incorporated in every Purchase Order. In the event of any inconsistency between any expressly agreed variation in writing (whether or not on a Purchase Order) and these Terms and Conditions, such expressly agreed variation shall prevail but only to the extent of such inconsistency.

2.2 No terms or conditions endorsed upon, delivered or contained in the Supplier's quotation, acknowledgement or acceptance of order, specification, invoice or similar document, irrespective of their date of communication to FHE, shall form part of the Contract and the Supplier waives any right which it otherwise might have to rely on such terms and conditions.

2.3 Acknowledgement of the Purchase Order constitutes acceptance of the Contract by the Supplier but without prejudice to the foregoing, the dispatch or delivery of the Goods or Services by the Supplier to FHE shall be deemed conclusive evidence of the Supplier's acceptance of these Terms and Conditions.

3. Price and Payment

3.1 Unless otherwise agreed and subject to condition 3.5, the Price is:

3.1.1 that stated in the Purchase Order;

3.1.2 exclusive of UK VAT or other local goods and services tax;

3.1.3 inclusive of any other taxes payable and any customs or import/export duties;

3.1.5 fixed; and

3.1.6 in the currency agreed between FHE and the Supplier, and if no currency has been agreed, in GB Pounds Sterling.

3.2 A valid VAT invoice in respect of the Price shall be produced to FHE by the Supplier and shall be a condition precedent to payment. The invoice may only be submitted and dated after completed delivery of the relevant Goods or completed performance of the relevant Services. The invoice shall not be valid unless it is addressed to FHE and it contains the Purchase Order number, the FHE Part Number (if any, as set out in the Purchase Order), the quantity and unit of measure, the Supplier's relevant VAT number, the net amount due, and the Supplier's full banking details (including account number, sort code, and, where applicable, SWIFT code). In the event that FHE reasonably considers that any invoice submitted by the Supplier is defective or relates to Goods supplied or Services performed otherwise than in accordance with the Supplier's obligations under the Contract, FHE shall be entitled to withhold payment of the disputed amount without prejudice to any other rights or remedies it may have.

FARID HILLEND ENGINEERING LIMITED PURCHASING TERMS AND CONDITIONS

3.3 Subject to the rights of FHE to withhold payment under the terms of the Contract and subject to receipt of an invoice which complies with condition 3.2, FHE shall pay the Price no later than:

3.3.1 where Goods are delivered to FHE in the UK or directly to an export build site outside the UK, 90 days from the end of the month of receipt of the Goods;

3.3.2 where Goods are supplied to FHE in the UK for consolidation into a container for shipping to an export build site outside the UK, 120 days from the end of the month of the receipt of the Goods by FHE in the UK;

3.3.3 in respect of Services, 90 days from the end of the month of completion of the performance of the Services; and

3.6 Where prototype parts ("**Prototype Parts**") are supplied under, or as part of, the Contract, the Prototype Parts will be detailed in the relevant Purchase Order and supplied free of charge. For the avoidance of doubt, the Supplier acknowledges that (other than provisions relating to Price and payment by FHE, to the extent inconsistent with supply free of charge) these Terms and Conditions apply to the supply of the Prototype Parts.

4. Warranties

4.1 The Supplier warrants to FHE and it is a condition of the Contract that the Goods and Services shall:

4.1.4 (together with all supporting literature provided with the Goods and/or Services supplied) comply in all respects (including, where applicable, their design, manufacture, construction, quality and proposed use) with all Laws, Consents and industry standards applicable to the nature of the Goods and Services supplied; and

4.1.5 unless agreed in writing by FHE, have any necessary export or import licences and comply with all relevant government regulations.

FARID HILLEND ENGINEERING LIMITED PURCHASING TERMS AND CONDITIONS

4.2.2 it shall obtain and maintain in force for the duration of this Contract all licences, permissions, authorisations, consents and permits needed to manufacture, assemble and deliver the Goods and Services in accordance with the terms of this Contract;

4.2.3 in providing the Goods or Services it will not infringe the IPR of any third party;

4.2.4 it has no other commitments or obligations that will conflict with or interfere with its performance of the Services and/or supply of Goods; and

4.2.5 it shall not sub-contract the supply of Goods and/or performance of the Services hereunder to any third party without the prior written consent of FHE such consent not to be unreasonably withheld. For the avoidance of doubt, this condition shall not prevent the Supplier from incorporating third party components from forming part of its Goods supplied in accordance with the Contract.

4.3 FHE's rights under these conditions are in addition to the statutory conditions implied in favour of FHE by the Sale of Goods Act 1979.

4.4 Without prejudice to conditions 4.1, 4.2 and 4.3 and any other rights of FHE in law and under the Contract, the Supplier warrants that the Goods and Services shall continue to comply with conditions 4.1.1 and 4.1.2 until (i) 36 months from the date of completed delivery of the Goods and Services; or (ii) 36 months after the Goods have been entered into service on a vehicle by an FHE's customer (whichever is the later) and if they do not so comply the Supplier shall:

4.4.1 in the event that the ownership of the vehicle to which the Goods and Services are fitted has not transferred to FHE's Customer, at its cost (including freight and any cost of dismantling and reassembly), within 24 hours of notice from FHE, remedy the defect in the Goods or replace the Goods to the satisfaction of FHE; and

4.4.2 in the event that the ownership of the vehicle to which the Goods and Services are fitted has transferred to FHE's Customer, issue a credit note to FHE which will cover the current spares purchase price of the Goods, freight (including to overseas FHE customers) and any cost of dismantling and reassembly, within 6 months of notice from FHE.

4.5 Without prejudice to condition 4.1, the Supplier shall (at no cost to FHE) ensure that, where applicable, all relevant system or component approval(s) and EC whole vehicle type approval(s) or UK vehicle type approval(s) have been obtained in respect of the Goods and/or Services prior to delivery of the Goods and/or Services.

4.6 Where the Goods are repaired or replaced or Services re-performed in accordance with this condition 4, the Supplier warrants those repaired or replaced Goods for a further period of 2 years from the date of repair or replacement, or the balance of the initial warranty period, whichever is longer.

4.7 If the Supplier is required to remedy any defect in, or to replace or re-perform (as applicable) any Goods and/or Services ("**Remedial Action**") pursuant to a breach of this condition 4 and the

FARID HILLEND ENGINEERING LIMITED PURCHASING TERMS AND CONDITIONS

Supplier is dealing directly with FHE's customer in relation to performing the Remedial Action, the Supplier must keep FHE regularly informed in writing as to the progress (including as to cost) of the Remedial Action.

5. Changes in Specification or Design

5.1 The Supplier undertakes not to make any changes in specification, design or quality of the Goods or to make goods obsolete without giving to FHE a minimum of 12 months notice in writing of the change or such lesser period as FHE may agree to in writing in that particular instance.

5.2 In the event that any such changes cannot reasonably be incorporated in FHE's design or products or are unacceptable to FHE, FHE reserves the right to cancel the Contract at no cost to FHE.

5.3 If FHE wishes to make a change, alteration, addition or deletion from the scope of any Services and/or the Specification for any Goods or Services set out in a Purchase Order, FHE shall submit a written notice to the Supplier outlining such changes (a "**Change Notice**").

5.4 The Supplier shall review the Change Notice and provide FHE, as soon as possible and in any event within ten (10) business days, with a written response that sets out the scope of the change, any additional charges or costs to implement the Change Notice and the time required for the Supplier to complete the change set out in the Change Notice (the "**Supplier's Response**").

5.5 FHE may confirm the Change Notice by returning an executed copy of the Supplier's Response to the Supplier. Any such executed Supplier's Response shall be deemed incorporated into the Contract and constitute a formal amendment to the Contract.

6. Pre-Delivery Inspection Rights

6.1 Prior to delivery, the Supplier shall inspect and test the Goods for compliance with the Purchase Order. FHE reserves the right to have an authorised representative attend the inspection and tests. If the Goods or any part thereof fail inspection and/or testing, the Supplier shall advise FHE accordingly.

6.2 FHE shall be entitled to request the Supplier supply certified copies of records of such inspection and tests free of charge and the Supplier shall promptly and fully comply with such request.

6.3 FHE reserves the right at reasonable times and on reasonable notice to inspect the premises of the Supplier and any permitted subcontractor in order to satisfy itself as to the working practices of the Supplier in relation to the manufacture of the Goods.

6.4 If the Goods or any part thereof fail inspection and/or testing, FHE (without prejudice to any of its other rights) reserves the right to charge the Supplier any cost in respect of travel and accommodation incurred by FHE for subsequent re-inspection and/or re-testing (if any).

6.5 Notwithstanding any such inspection or testing, the Supplier shall remain fully responsible for the Goods and any such inspection or testing shall not diminish or otherwise affect the Supplier's obligations under the Contract.

FARID HILLEND ENGINEERING LIMITED PURCHASING TERMS AND CONDITIONS

7. Delivery of Goods and/or Performance of Services

7.1 Delivery of the Goods and/or Services shall be made (at the Supplier's risk and expense) to the address specified in the Purchase Order and on the date specified in the Purchase Order during normal business hours, unless otherwise agreed in writing by the parties prior to the delivery of the Goods and/or Services. FHE shall be under no obligation to accept delivery of the Goods before the date(s) specified in the Purchase Order but reserves the right to do so.

7.2 The Supplier acknowledges and agrees that time is of the essence in the performance of the Services and the delivery of the Goods and Services in accordance with this Contract and, without prejudice to any other rights which it may have, FHE reserves the right to cancel, without notice, the whole or any part of the Purchase Order if this condition is not complied with by the Supplier.

7.3 All deliveries of Goods must comply with the following conditions:

7.3.1 the Goods must be accompanied by an accurate and readily available packing note detailing: the supplier, quantity of Goods, FHE part numbers, description of the Goods, Purchase Order number, contract number (where applicable) and any other relevant information;

7.7 Where FHE has placed a Purchase Order that includes Goods that require an initial sample inspection report (an "ISIR"), such Goods must be delivered with the ISIR. If such Goods are delivered without the ISIR, FHE reserves the right to refuse to accept the delivery.

7.8 Where FHE cancels the whole or part of a Purchase Order in accordance with condition 7.2 pursuant to late delivery of the Goods and/or Services:

7.8.1 all sums payable by FHE in relation to the whole or part of the Purchase Order which is cancelled shall cease to become payable;

7.8.4 FHE shall be entitled to refuse to accept any subsequent delivery of the Goods and/or Services pursuant to the Contract which the Supplier attempts to make.

8. FHE's Remedies

8.1 FHE shall have the right to inspect the Goods or Services upon delivery in accordance with this condition 8. Notwithstanding FHE's right to inspect the Goods or Services upon delivery, if FHE fails to exercise such right to inspect the Goods or Services upon delivery such failure will not prejudice its rights under this condition 8.

8.2 If any part of the Services fails to comply with condition 4 or in any way differs from the Contract, other than as a result of default or negligence on the part of FHE, FHE shall notify the Supplier accordingly and the Supplier shall at its own expense reschedule and perform the work correctly within such reasonable time as may be specified by FHE.

8.8 Where there is an excess of Goods in relation to the Purchase Order FHE may reject the excess Goods by notice in writing to the Supplier and the following provisions shall apply:

8.8.1 at the Supplier's earliest opportunity the Supplier shall collect the excess Goods from FHE at the Supplier's expense. 8.8.2 during the period between delivery of the Goods and collection by the Supplier, FHE shall not be liable for any loss or damage caused to the excess Goods; and

8.8.3 no sum shall be due to the Supplier for the excess Goods and in the event that sums are paid to the Supplier for the excess Goods, the Supplier shall repay such sums to FHE immediately.

8.9 FHE may accept excess Goods delivered under the Purchase Order by notifying the Supplier of such acceptance and the following provisions shall apply:

8.9.1 FHE reserves the right to charge an administration fee of £250 (exclusive of any VAT) ("**Administration Fee**") to reflect the increased administration time and costs incurred by FHE in processing the excess Goods into stock and production plans;

FARID HILLEND ENGINEERING LIMITED PURCHASING TERMS AND CONDITIONS

8.9.3 without prejudice to FHE's general right of set off in condition 22, the Administration Fee shall be set off against the amount payable by FHE under any invoice from the Supplier which includes the excess Goods; and

8.9.4 subject to the other provisions of this condition 8.9, the price of the excess Goods shall be payable by FHE in accordance with condition 3.

9. Title and Risk

9.1 The title and risk in the Goods and/or Services shall remain with the Supplier until they are actually delivered to the location specified by FHE in the Purchase Order, transferred to FHE's possession and signed for by an authorised representative of FHE, at which time title and risk in the Goods and/or Services shall transfer to FHE.

9.2 All material supplied by FHE to the Supplier, including without limitation any kits or parts ("**FHE Materials**"), will remain the absolute property of FHE. The Supplier is not granted nor entitled to any lien, charge or other security interest or any other encumbrances over any FHE Materials or the fully completed Goods.

9.3 From delivery of all FHE Materials to the Supplier until delivery to and acceptance of the finished Goods by FHE, the risk of loss or damage to such FHE Materials and the partially or fully completed Goods shall be borne by the Supplier.

9.4 The Supplier will indemnify FHE and keep FHE indemnified in respect of all of the costs of replacing or repairing any FHE Materials, or partially or fully-completed Goods which become lost or damaged as a result of negligence on the part of the Supplier or while they are at the Supplier's risk.

9.5 The Supplier will ensure that all FHE Materials will be properly and securely retained and identified as the property of FHE. The Supplier will not part with possession of any FHE Materials or make them available to any person.

10. Indemnity

10.1 Without prejudice to any other provision of this Contract, the Supplier shall indemnify and keep indemnified FHE, its employees, agents and contractors (each an "Indemnified Party") against all current and future direct, indirect or consequential liabilities (all three of which terms include, without limitation, loss of profit, loss of business, depletion of goodwill and like loss), loss, damages, injury, costs and expenses (including legal and other professional fees and expenses) (hereafter "**Liabilities**") awarded against or incurred or paid by any Indemnified Party as a result of or in connection with:

10.1.1 defective workmanship, quality or materials and/or breach of the Contract by the Supplier;

10.1.2 an infringement or alleged infringement of any IPR caused by the use, manufacture or supply of the Goods and/or Services;

10.1.3 any claim made against FHE in respect of any Liabilities sustained by FHE's employees or agents or by any customer or third party to the extent that such Liabilities were caused by, relate to or arise from the Goods and/or Services, or are a consequence

FARID HILLEND ENGINEERING LIMITED PURCHASING TERMS AND CONDITIONS

of a direct or indirect breach or negligent performance or failure or delay in performance of the terms of the Contract by the Supplier;

10.1.4 any negligent or wrongful act or omission of the Supplier or any of its employees, agents or contractors in the course of or related to the performance of, or failure to perform, any obligations of the Supplier under this Contract.

10.1.5 any decision of FHE (at FHE's sole discretion) to source goods and/or services similar to the Goods and/or Services from an alternative supplier as a consequence of any breach or negligent performance or failure or delay in performance of the terms of the Contract by the Supplier; and

10.1.6 any fraud, dishonesty, misrepresentation, or wilful default of the Supplier.

10.2 FHE reserves the right to include within any indemnity claim under condition 10.1 an amount or amounts in respect of anticipated future losses of FHE in respect of matters described in conditions 10.1.1 to 10.1.6 above, such amount(s) to be calculated by FHE acting reasonably and based on FHE's experience of past third party claims in respect of the particular Goods and/or Services provided under the Contract.

11. Intellectual Property Rights

11.1 The Parties agree that the Goods and any deliverables provided through the Services ("**Deliverables**") and any and all IPR in relation thereto shall belong to and be the absolute property of FHE and the Supplier hereby assigns to FHE its whole right, title, interest and guarantee in and to all Goods and Deliverables as legal and beneficial owner, free from all encumbrances to the effect that such Goods and Deliverables and any IPR in such Goods and Deliverables vest in FHE on their creation.

11.2 Insofar as any such Goods, Deliverables and IPR arise or are created in the future, the Supplier hereby assigns all such Goods, Deliverables and IPR to FHE on the foregoing terms by way of present assignment of future rights.

11.3 In the event that FHE grants the Supplier permission to use sub-contractors for the provision of Services or the creation of Goods, the Supplier shall ensure that all such sub-contractors enter into written contracts with the Supplier that include specific intellectual property provisions such that any and all IPR created by the sub-contractors under the contract will vest on creation in Supplier thereby enabling the Supplier to assign all such IPR to FHE so as to give effect to condition 11.1.

11.4 The Supplier hereby undertakes at the request and expense of FHE to forthwith do all acts and execute all documents, forms and authorisations anywhere in the world, and shall procure and ensure (where relevant) that its directors, employees, advisers and any permitted sub-contractors do the same, in each case which may be necessary or reasonably desirable to confirm the title of FHE or its nominee to the IPR whether in connection with any registration of title or otherwise and in the event that the Supplier fails to do so, FHE is hereby irrevocably authorised and empowered to exercise and perform such acts and take such proceedings in the Supplier's name and on its behalf as the attorney for the Supplier.

11.5 If for any reason the Supplier is not legally able to assign certain IPR in the Goods and/or Deliverables to FHE, it shall notify FHE immediately and procure that FHE shall receive from the Supplier and/or third party (as appropriate), a perpetual, irrevocable, royalty-free, transferable,

FARID HILLEND ENGINEERING LIMITED PURCHASING TERMS AND CONDITIONS

worldwide, non-exclusive licence to use, modify and develop such non-assignable IPR for any purpose.

11.6 Notwithstanding the terms of conditions 11.1, 11.2 and 11.3, all IPR of a party that was in existence prior to the commencement of the Contract and which has not been created, obtained or developed in connection with the Contract ("**Background IPR**"), shall remain the property of that party.

11.7 In the event that the Supplier requires access to or use of FHE's Background IPR for the provision of the Goods and Services, FHE hereby grants to the Supplier a limited, non-transferable, non-exclusive licence to use such Background IPR solely for the purpose of performing the Services and/or creating the Goods and Deliverables under this Contract. For the avoidance of doubt, FHE's Background IPR shall constitute "Confidential Information" of FHE and the provisions of condition 16 shall apply to such materials.

11.8 The Supplier hereby and shall procure that any permitted sub-contractor hereby irrevocably and unconditionally waives all rights under Chapter IV of the Copyright, Designs and Patents Act 1988 (as amended) and any other moral rights which the Supplier (or any permitted sub-contractor) may have in any Goods and Deliverables (but excluding any Background IPR of the Supplier) in whatever part of the world such rights may be enforceable.

11.9 Any trademarks, trade names, service marks or other symbols whether of the Supplier or FHE, used or affixed to the Goods shall be used or affixed in accordance with FHE's written instructions.

11.10 If, at any time, a third party alleges that its IPR has been infringed by any Goods, Services and/or Deliverables or in FHE's reasonable opinion such allegation is likely to be made, the Supplier, if FHE shall first have consented (which consent may be given or withheld at FHE's sole discretion), shall (at the Supplier's expense) either:

11.10.1 procure for FHE the right to continue to use the Goods, Deliverables and/or Services without infringing any third party IPR in any or all ways and for any or all purposes for which it dealt with or was dealing or intended to deal with the Goods, Deliverables and/or Services prior to the allegation or its likelihood arising; or
